

# Code smart... *the* JBoss Way

- 100% Open Source
- Start fast with JBoss Forge
- Test easier with Arquillian
- Exceptional Tooling with JBoss Developer Studio 5
- Get mobile with AeroGear, Errai, Errai UI and RichFaces
- JBoss Enterprise Application Platform: Fast Java EE 6 server, and much, much more
- Deploy on OpenShift in the Cloud
- More code, more tools, and more tutorials are coming

Visit the website.  
Then get smart, get enabled,  
and get productive.  
Follow the JBoss Way!
